

## 【英語】

In an emergency, an ambulance and fire truck can be dispatched by dialing 119. Even if you don't speak Japanese, please stay on the line until an interpreter is connected.

This service primarily supports five languages (English, Chinese, Korean, Portuguese, and Spanish) and is available 24/7.

There are six multiple languages that will be added and be available during the daytime (Thai, Tagalog, Vietnamese, French, Russian, and Nepali).
